A sign permit shall be null and void if the sign for which the permit was issued has not been completed within 6 months after the date of issuance. All signs must be maintained in a state of good repair. When the director or other authorized county official believes that a sign is dangerous or is otherwise in a state of disrepair they shall contact the owner of the sign in writing and request that the problem be repaired or corrected. If the owner has not appealed to the Board of Appeals or corrected the problem(s) within 10 days of the date of the written notice, the county shall arrange for removal of any such sign and bill the owner for all costs of such removal, in accordance with the Administration and Enforcement Article of this Development Code relating to the removal of illegal signs.
