**Re:** RFB2016-4 – 2015 or 2016 Dodge Ram 1500 SSV (Marked) – Addendum No. 2

---

The following questions have been submitted for RFB2016-4:

Questions:

1. In regards to RFB2015-3 and RFB2015-4, is the County requesting a price that includes the cost of the vehicle along with equipment and installation or is the County seeking only the cost for the equipment specified along with installation?

**Response:**

Barrow County intends to use a single provider for all vehicles within the individual RFBs. ***The single provider will be responsible for both the vehicle and outfitting.*** This provider has the option to outsource the outfitting per the specifications, ***but will be responsible for submitting the RFB in a complete format (vehicle cost plus all outfitting).***

2. Will the County be purchasing the vehicles directly from the dealership and providing them to the vendor or will the vendor be responsible for coordinating the purchase of the vehicles?

**Response:**

Barrow County intends to use a single provider for all vehicles within the individual RFBs. Barrow County will take possession of each vehicle in a road-ready, fully outfitted condition. Barrow County Sheriff's Office Representatives will work with the provider and outfitter to finalize placement of equipment, color of decals, tint level, etc.
