Re: RFP2015-13 -- Fire Training Facility – Addendum #1

The following question has been submitted for RFP2015-13:

1. What/if any licenses and/or registrations are required to be held by bidder at the time of the bid.

Response:

Bidders are ultimately responsible for identifying applicable legal requirements and determining how to comply with same. All bidders, in order to be considered responsive, must comply with Title 43, Chapter 41 of the Official Code of Georgia regarding general contractors and must document their method of compliance with their proposal per the RFP.
