## MEMORANDUM – ADDENDUM NO. 1

**To:** Interested Vendors

**From:** Cindy Clack

**Date:** 4/15/2015

**Re:** RFP2015-9 – Courthouse and Jail CCTV System Enhancements – Addendum #1

---

The following questions have been submitted for RFP2015-9:

1. I would like to include my company's product as an acceptable alternate. My company's application meets the criteria under 2.12 section C. Is this possible?

**Response:**

Please submit any substitution request for products in accordance with Section 016350 – SUBSTITUTIONS OF PROJECTS DURING BIDDING. Address all the comparative qualities of the specification requirements.

2. My company is interested in bidding on this job but we are seeing a requirement that the potential bidder have at least 5 correctional facility installations done in the past. We don't have this credential, but we do have numerous multi-family and hotel installations. Does this disqualify us from bidding the job?

**Response:**

Yes, this among other requirements, is mandatory for approval as a systems integrator – see section 280000 sub paragraph 1.5.

3. Is the county interested in pursuing this project under the Georgia State CCTV Contract?

**Response:**

No, the county has elected to procure this project via the design-bid-build methodology.
