Registering for an Account using the Self Service Portal
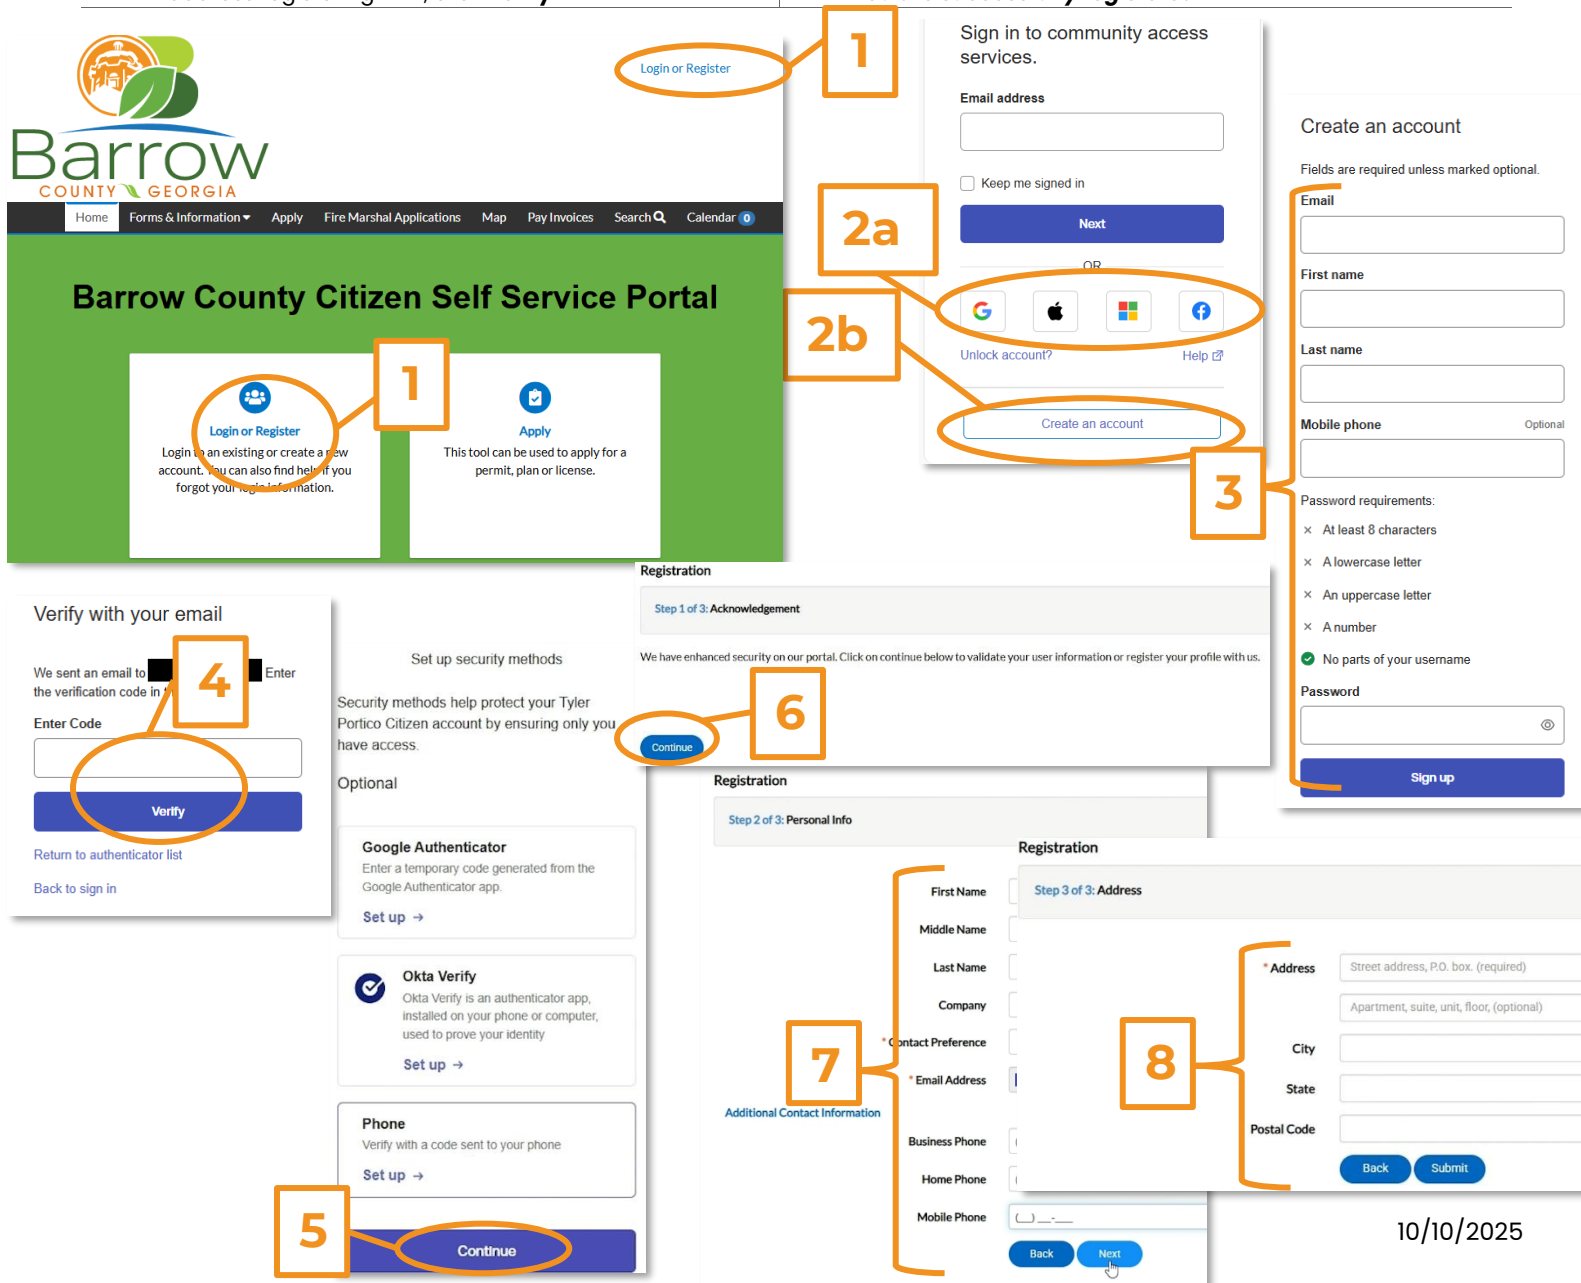

https://barrowcountyga-energovweb.tylerhost.net/apps/selfservice#/

For assistance, please call 770-307-3021

Beginning **August 26, 2025,** applications should be created using the Barrow County Citizen Self Service Portal. If you've applied in another jurisdiction utilizing Tyler's Citizen Self Portal, you can use that same login and go straight to the registration process.

Steps to create a profile and register with Barrow:

1.	Select **Login or Register**	**5.**	*Optional*, set up other authentication methods AND/OR select **Continue**
2a.	Select **Create an account**	**6.**	Click **Continue** on the Acknowledgement
2b.	Sign in with a **quick sign in** option with Google, Apple, Microsoft, or Facebook. Go through the prompts to set up an account and grant access.		
3.	Fill out all fields, select **Sign up**	**7.**	Fill out all fields as appropriate (*only one phone number is required*), select **Next**
4.	Enter the verification code that was sent to the email address registering with, click **Verify**	**8.**	Fill out all fields, select **Submit** ***You are successfully registered***
