

# BARROW COUNTY

— Georgia —

## Public Safety and Emergency Services

The 2023 SPLOST will help equip and prepare our Public Safety and Emergency Services for the challenges of tomorrow.

The equipment below will meet the county's capital equipment needs, including public safety equipment for our first responders.

- 911 Call Center upgrades,
- Additional county vehicles and equipment
- Software upgrades
- Public Safety (911) Radio System Infrastructure upgrades and replacement
- Sheriff's Administration Technology upgrades for the building
- New Body cameras and GPS software
- Sheriff Deputy cars and equipment
- Technology upgrades throughout the county offices
- Voting machines and technology
