

BARROW COUNTY

Georgia

Water and Sewer System Projects and Improvements

The 2023 SPLOST will help address our existing water, and sewer infrastructure by funding improvements in the following areas:

- Water and Sewer System upgrades and extensions to meet the anticipated growth across the county (Barrow County grew by 20% from 2010-2020).
- Needed Water and Sewer system technology upgrades
- Debt payments on the Bear Creek Reservoir.
